Introducing Our Principal

Our Principal, Mr. W. H. Pattillo received his early education here in Tarboro. He completed his education at Shaw University and was awarded a B.S. degree. He did his graduate work at Columbia Univer-sity. In the summer of 1936, Mr. Pattillo took a course in school administration at A and T college in Greensboro. He was supervisor of the Pamlico County Schools for a period of ten years. For nine-teen years, he was principal of the Pamlico County Training School, from which position he came here to Tarboro. He began his administration at Pattillo High School in 1946.

He is vitally interested in all youth movements Since his coming, greater strides in education have been made. The Lunchroom Program has been reorganiz-ed and improved. The faculty has been increased and more faculty advisors have been assigned to as-sist in the many students activities. Through his efforts, The Athletic Program has been expanded, a high school band has been formed, a Veterans Train-ing Project has been inaugurated, all of which have has been done since, Mr. W. H. Pattillo arrived on the scene.

From Student observation, it may readily be seen that Professor Pattillo has a keen sense of humor. Through the cooperation of teachers and students with Professor Pattillo in all phases of life, a well knitted organization has been achieved.

STAFF'S APPRECIATION

Before we began on our annual, we had to have help. This help was rendered by workers, advisers, contributors, and backers. The workers were the students on the annual staff, who sacrificed their time and gave their services wholeheartedly. Our adviser(staff), Mrs. Thomas, who exerted a lot of energy and put forth a lot of effort, to make sure the Year book would be a success. The Class of "49" wishes to thank these persons,especially : Mrs.Blakely, Miss McNeill, Mrs. Ruth M. Garnes, Mrs. W.A. Pattillo, Mrs. E.O. Jŏnes, Mrs. Woodley and our principal Mr. W. H. Pattillo.

The Contributors, were the alumni, who presented us with contributions in the form of money to aid us in our plans. Our backers, were the business concerns, that gave us advertisements, which made it possible for us to publish our Year book. To these helpers, we wish to extend our appreciation and sincere thanks. For these persons, are the ones, that made it possible for us, to publish the first annual, in the history of the school.

ACTIVITIES

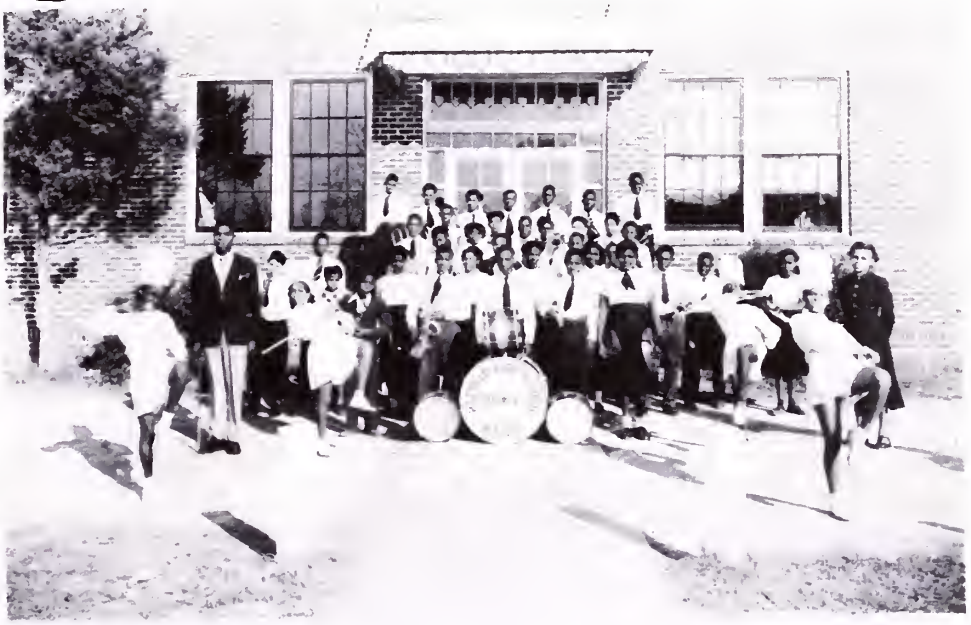
★ JOURNALISTIC ★ CLUB

PUBLISHES "THE PATTILLO STAR"

The Journalistic Club was organized in the fall of 1946, under the direction of S.V. Brown. Since that time the club has increased its membership, done much creative writing, and published the school's paper regularly. The members have learned that one learns to write by writing. As result, we have poems, stories, and comic appearing in the publication.

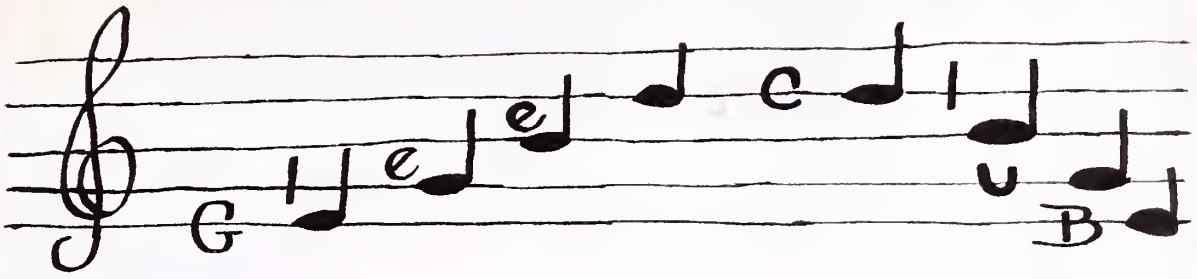
The club chose the task of editing the school paper, "The Pattillo Star", the paper which the students and patrons enjoy. The circulation has increased over the period of years that it has been circulating. It increased from two hundred to five hundred. The business is transacted by Osborne Caine and Clinton Clark. Their jobs have been well done. The first issue of the "Star"was done on a machine in the principal's office but now the paper is printed. The students have worked very hard to keep the paper going. Much praise is to be given them for their efforts.

OUR BAND



Through the cooperation of the citizens and faculty the band is now a reality. It was organized early in November 1942 under the direction of Miss A.L. Sherrin; at present, there are forty members. In order to do the best work, the band organized with the following officers:

President	Robert Lloyd
Vice President	Susie Taylor
Secretary	Leo Jones
Asst. Secretary	David Knight
Sgts. of Arms	Russel Johnson
	Robert Jenkins
Business Managers	James Best
	Curtis Jones



The Mozart Choral Society has played a pertinent part in the school and Civiv lives of Tarboro and Eastern North Carolina. Through its program it has kept alive traditions ever dear to a people. Notables of its activities are seasonable programs, radio broadcasts, Operettas, pageants, and assembly renditions. Former members have further distinguish -ed themselves by participations in Glee Club of higher learning. The Choral Society has been the stimulus for advanced study and thence Concert work. Under the guidance of mesdames T.Q. Foster and M.M. Blakely the group plans bigger and better performance -s in the future.
